

The background features abstract geometric shapes. On the left, there is a large orange triangle pointing towards the bottom-left. Below it is a smaller teal triangle pointing towards the bottom-left. The rest of the background is a large blue shape that fills the right and top-right areas, with a diagonal line separating it from the teal triangle.

**CLASSROOM MEETING –  
NOVEMBER**

- Get to know each other better
- Learn about topics not routinely covered throughout the school day
- Discussing/problem solving
- Working together
- Talking about important issues

PURPOSE OF CLASSROOM MEETINGS

- **Build a strong class community**
- **Allow others to be heard**
- **Help resolve problems before they become bigger issues**

**BENEFITS OF CLASSROOM MEETINGS**

- We raise our hand when wishing to speak
- Everyone has the right to be heard
- We let others speak without interrupting
- Everyone has the right to “pass”
- We can disagree without being disagreeable or saying mean things; no “put downs”
- When talking about bullying or other problems we don’t mention names
